- Over thirty different designs to choose from, all original artwork. Artwork list, and some example photos available.
- One portable 8'x10' booth with table, podium and umbrella. A 10'x10' booth is available upon request for large events.
- Flat rates or per-face fees available. Please call for more information.
- Custom designs available.
- Will dress appropriate to theme if requested. Otherwise, we work in renaissance-faire style costumes.

All designs are handpainted with brushes and glitter. We do not use airbrush stencils.

New Service – Instant Digital Photos Available!

Using digital photography, we can create on-the-spot photographs of the person's painted face with the event name and a pre-made custom-designed border. Special for company picnics – if you provide the company logo, we can also design a border suitable to the company picnic theme that will appear on the photo to create fun, lasting memories for everyone! Here is what's available:

- Prints of photos on pre-designed borders with the name of event and date.
- Prints of photos on custom-designed borders using company logos, theme and colors.
- Photos can be formatted and copied to CDs, for email or computer-desktop use.
- Multiple prints available.
- Price for this service quoted upon request.
